

ZONING LOCAL LAW
TOWN OF KIRKWOOD

ARTICLE III
APPLICATION OF REGULATIONS

SECTION 301. Districts

For purposes of this Local Law the Town of Kirkwood is hereby divided into the following districts:

- A. Residence (R), Residence (R-1), Agricultural/Rural Residence (A/R-R), and Residence Multi (R-M); See Section 301.1.
- B. Business One (B-I), Business Two (B-2), Business Two – Entertainment (B-2-E); See Section 301.2.
- C. Industrial Development (I-D), Industrial Development-Recycling (ID-R), and Industrial Development - Power Plant Facility (ID-PPF); See Section 301.3.
- D. Planned Unit Development (PUD); See Section 301.4.
- E. Aquifer Protection (AP); See Article VIII.
- F. Mining (M); See Article X.
- G. Automobile Sales (AS); See Article XI.
- H. Commercial Composting Facility; Removed by recommendation from Town of Kirkwood Comprehensive Plan.
- I. Construction Equipment (CE); See Article XIII.

SECTION 301.1 Residential Districts

- A. Establishment.
 - 1. The residential districts are listed below. When this Zoning Ordinance refers to residential or R zoning districts, it is referring to one of the following:

Residential Districts -Table 1

District Name	Map Symbol
Residence	R
Residence 1	R-1
Agricultural/Rural Residence	A/R-R

2. The residential district names and map symbols are intended to provide a general indication of what is allowed in the district by denoting the residential densities (urban, suburban, or rural) and dominate housing type (single-family, two-family, or etc.).

B. District Purposes

1. **Residence.** The purpose of the Residence District is to preserve the traditional village neighborhoods within the Town and to support the goals and objectives contained in the Town of Kirkwood Comprehensive Plan. These neighborhoods are generally characterized by owner-occupied, single-family, detached homes placed on lots 13,400 square feet in size or larger. The R District is established to maintain the character and lifestyle offered by these single-family neighborhoods.
2. **Residence 1.** The purpose of the Residence 1 District is to preserve and balance the traditional village neighborhoods and the rural community within the Town and to support the goals and objectives contained in the Town of Kirkwood Comprehensive Plan. These neighborhoods are generally characterized by owner-occupied, single-family, detached homes placed on lots 13,400 square feet in size or larger and agricultural uses. The R-1 District is established to maintain the character and lifestyle offered by these single-family neighborhoods.
3. **Agricultural/Rural Residence.** The purpose of the Agricultural/Rural Residence District is to balance residential development with the preservation of rural character and farming activities within the Town and to support the goals and objectives contained in the Town of Kirkwood Comprehensive Plan. This district will promote suitable placement of buildings and accessory structures in relation to the site and surrounding areas in order to minimize the potential for loss of productive agricultural resources and the disruption of environmentally sensitive areas.
4. **Residence Multifamily.** The purpose of the Residence Multifamily District is to provide the broadest range of residential living opportunities within the Town and to support the goals and objectives contained in the Town of Kirkwood Comprehensive Plan. These neighborhoods may contain a mix of single- or two-family homes as well as higher-density developments, such as apartments or townhouses, on lots that may be as small as 12,000 square feet in size. Developments in this district shall employ techniques to minimize

Section 301.2 Business Districts

A. Establishment.

1. The business districts are listed below. When this Zoning Ordinance refers to Business 1, Business 2, and Business 2 - Entertainment, it is referring to one of the following:

Business Districts -Table 1

District Name	Map Symbol
Business 1	B-1
Business 2	B-2
Business 2 - Entertainment	B-2-E

2. The district name and map symbol are intended to provide a general indication of what is allowed in the district, with the “B-1”, “B-2”, and “B-2-E” denoting the business uses.

B. District Purposes.

1. Business 1. The purpose of the Business 1 District is to foster a concentration of small-scale, mixed use activity and to support the goals and objectives contained in the Town of Kirkwood Comprehensive Plan. The B-1 District is established to maintain and enhance the traditional mix of retail, office, civic and residential uses within the Town. Development in this district should reinforce compact, pedestrian-oriented development and preservation of traditional historic character.
2. Business 2. The purpose of the Business 2 District is to encourage commercial development and to support the goals and objectives contained in the Town of Kirkwood Comprehensive Plan. The B-2 District is established to provide areas for intensive commercial activities that primarily depend upon a large volume of vehicular traffic and serve the daily shopping needs of the community-at-large and surrounding areas. This district encourages the application of site design and buffering techniques to mitigate the impacts of commercial operations and traffic on adjacent uses and the traveling public.
3. Business 2 - Entertainment. The Business 2 - Entertainment district is established to prevent deteriorating property values, higher crime rates, traffic congestion, and depressed neighborhood conditions in the Town of Kirkwood, to promote the health, safety, general welfare, and good order of the community by setting forth a community standard regulating

Section 301.4 Planned Unit Development Districts

A. Establishment.

1. The Planned Unit Development Districts (PUD) are listed below. When this Zoning Ordinance refers to planned unit development zoning districts, it is referring to the following:

Planned Unit Development Districts -Table 1

ARTICLE III
APPLICATION OF REGULATIONS

2. The district name and map symbol are intended to provide a general indication of what is allowed in the district:

B. District Purposes.

The Planned Unit Development (PUD) Zoning District allows for an alternative process to develop a unified and integrated development plan in the Town. PUD Zoning Districts promote flexible development opportunities that would not otherwise be possible through the strict application of the land use and development regulations of this chapter, and allow diversification in the uses permitted and variation in the relationship of uses, structures, and open spaces. The PUD District results in a cohesive and unified project based on unique standards and regulations developed for a particular site or sites. Planned Unit Development Districts shall achieve the following objectives:

1. An alternative development pattern in harmony with the objectives of various Town land use and development plans.
2. A creative use of land and related physical development allowing an orderly transition from one land use to another.
3. Diversification in the uses permitted and variation in the relationship of uses, structures, open spaces and height of structures in developments conceived as cohesive unified projects.
4. Unique standards for site and building design.
5. The preservation and enhancement of desirable site characteristics, such as open space, natural topography, vegetation and geologic features and the prevention of soil erosion.
6. To encourage a more efficient and economical arrangement of land uses, buildings, circulation system and utilities, resulting in a smaller network of utilities and streets and a lessened burden of traffic on streets and highways.

C. Uses.

Uses allowed in Planned Unit Development zoning districts are set forth in Table 2.

1. Uses identified with a "P" in Table 2 are permitted as-of-right in the subject zoning district, subject to compliance with all other applicable standards of this Zoning Ordinance.
2. Uses identified with a "SP" in Table 2 may be allowed if reviewed and approved in accordance with the special permit procedures in Article V, Section 503.
3. Uses not listed and those identified with a "--" are expressly prohibited.

SECTION 302. Zoning Map

- A. Said Districts are shown, defined and bounded on a map entitled, "Town of Kirkwood Official Zoning Map," as amended and certified by the Town Clerk, which accompanies and which, with all explanatory matter thereon, is hereby made a part of this Local Law.
- B. The Town Clerk shall engage the Broome County Department of Planning and Economic Development to use the Broome County Geographic Information System (GIS) to make changes on said map as directed by the Town Board. The original of said map shall be filed in the office of the Town Clerk and shall be available for public inspection.

SECTION 303. District Boundaries

Where uncertainty exists with respect to the boundary of any district as shown on the Town of Kirkwood Zoning Map, the following rules shall apply:

- A. Where district boundaries are so indicated as to approximately follow lot lines, such lot lines shall be construed to be such district boundaries.

ZONING LOCAL LAW
TOWN OF KIRKWOOD

ARTICLE III
APPLICATION OF REGULATIONS

- B. Where district boundaries are indicated as approximately following the center lines of streets or highways, street lines or highway right-of-way lines, such centerlines, street lines or highway right-of-way lines shall be construed to be such boundaries.
- C. Where uncertainty exists in determining the precise location of any district boundary line, the Zoning Board of Appeals with advice from the Town Planning Board, shall interpret the intent and purpose of the zoning map.

SECTION 304. Lots in More than One District.

Where a district boundary line divides a lot the regulations for either portion of the lot may, at the owner's discretion, extend to the entire lot, but not more than twenty-five (25) feet beyond the boundary line of the district.

SECTION 305. Application of Regulations

- A. No building or land shall hereafter be used or occupied, and no building or part thereof shall be erected, moved, or altered except in conformity with the regulations herein set forth for the district in which it is located.
- B. Any parcel of land with an area or width less than that prescribed for a lot in the district in which such lot is located, which at the time of the adoption of this Local Law was under one ownership and when the owner thereof owns no adjoining land, may be used as a lot for any approved use in the district after proper review by the Zoning Board of Appeals and obtaining a variance from said Board.
- C. No owner in any district shall be permitted to divide a parcel of land conforming with required lot area and width into two (2) or more lots where a resulting lot would have an area or width less than that prescribed for lots in said district.
- D. Any principal use of a parcel, lot, land, building or structure not specifically permitted by this Local Law shall be deemed prohibited. This section shall not apply to accessory uses of land or buildings which are customarily incident to and located upon the same lot occupied by a principal use.

SECTION 306. Nonconforming Uses

SECTION 306.1 Continuation of Nonconforming Buildings or Uses

The lawful use of any building or the use of land existing at the time of the adoption of this Local Law may be continued, although such use or building may not conform with the provisions of this Local Law, except as hereinafter provided.

ZONING LOCAL LAW
TOWN OF KIRKWOOD

ARTICLE III
APPLICATION OF REGULATIONS

SECTION 306.2 **Changes**

A nonconforming use may not be changed to a more intensive nonconforming use, nor shall a conforming use be changed to a nonconforming use. Any nonconforming use when changed to a conforming use shall not thereafter be changed back to a nonconforming use. A nonconforming use, building or structure shall not be enlarged.

SECTION 306.3 **Cessation of NonConforming Use**

Whenever a nonconforming use has ceased for a period of one (1) year, any future use shall be in conformity with the provisions of this Local Law.

SECTION 307. **Incorporated into Article IX, Siting of Wireless Telecommunications Facilities.**
