

## **KIRKWOOD BEAUTIFICATION COMMITTEE MISSION STATEMENT**

Our mission is to enhance the beauty of Kirkwood by employing the creative talent and energy of its citizens to identify and implement innovative means to improve our landscape, community plan and structures. Positive contribution of our residents and businesses will be recognized and rewarded by the community spirit that comes from knowing that our town appreciates and values an attractive community and business environment.

Comprehensive community participation will generate enthusiasm and pride building a community inspired by its neighbors providing an example for others to follow.

We are committed to enhancing Kirkwood's aesthetics, community attraction and to strengthening Kirkwood's reputation as a productive, caring and friendly community.
