TOWN BOARD MEETING**

**April 4, 2017**

A regular meeting of the Kirkwood Town Board was held on April 4, 2017 at 6:00 PM at the Joseph A. Griffin Town Hall with Deputy Supervisor Lewis Grubham presiding.

Present: Deputy Supervisor Lewis Grubham  
Councilman Robert Weingartner  
Councilman William Diffendorf, Jr.  
Councilwoman Linda Yonchuk

Absent: Supervisor Gordon Kniffen

Also Present: Brady Begeal, Attorney  
Gayle Diffendorf, Town Clerk  
John A. Finch, Jr., DPW Commissioner  
Marchie Diffendorf, Planning Bd. Chairman  
Jessica Kinney, Deputy Town Clerk

**PLEDGE OF ALLEGIANCE:**

**APPROVAL OF MINUTES:** March 7, 2017 Town Board Meeting

**PUBLIC PARTICIPATION:** None.

**COMMUNICATIONS:** None.

**COMMITTEE REPORTS:**

**Meadow Lane Speed Issue.**

Councilman Diffendorf reported that he received a phone call from Mark Casiuk of Meadow Lane who is concerned about the 30 MPH speed limit on that road and would like it lowered, adding there is a lot of traffic from the school. Councilman Diffendorf said he feels that is probably the proper speed limit and he is not sure if the State would lower it. It was noted there is signage. Mr. Finch said the buses are supposed to use Meadow Lane. Councilman Diffendorf said they might want to consider talking to the school about bus speed as well as employee speed, noting this is not a school zone. Mr. Finch said the issue may not be the actual speed limit but the speed people are actually going on the road. The indication is that the speed limit should be enforced, so John Finch will check with law enforcement into having radar set up in the area. He said he doesn't think it would help changing the school traffic to Riverview Road since the people living there would have the same issue with speed as the people on Meadow Lane are currently having.

**Court Grant.**

Deputy Supervisor Grubham reported that the Court received all of the State grant money they applied for to use for security work. They are working out the details and it will cost well below what they originally expected. Two doors will be changed and the glass in a third door will be changed to bullet proof. Another exit door will be installed in the meeting room to the driveway area because currently there are not the required number of exit doors.

**OLD BUSINESS:**

Councilwoman Yonchuk moved to adopt resolution authorizing advertising for Sealed Bids for the purchase of two (2) 2017 Ford Super Duty F-550s DRW (F5H) XL, 4 wheel drive with regular cab and chassis (no box), 145" wheel base measurement and 60" from cab to rear axle, or the equivalent thereof, one of the trucks must be equipped with a remote starter and sync (communications) system, with bids returnable to the Town Clerk's Office on April 24, 2017 at 12:00 PM, to be publically opened and read at the April 25, 2017 6:00 PM Work Session. Councilman Diffendorf seconded.

**Discussion:** John Finch clarified for Councilman Diffendorf that the remote starter was included in the original pricing. He said it would be for the truck he will be taking home at night, adding that the sync system is for Bluetooth when he uses the truck for plowing and has to use the joy stick.

Councilman Diffendorf moved to adopt resolution approving the five year plan for equipment purchases, presented by John A. Finch, Jr., Highway Superintendent, with the understanding that each would be addressed again when going out to bid, etc. Councilman Weingartner seconded.

**Discussion:** Councilwoman Yonchuk questioned if they shouldn't table this until the whole Board is present. She said she likes the idea of a five year plan but is concerned that they discuss more how they will pay for things as they come up, also questioning if by passing this it would lock them in. Councilman Weingartner said that they discussed this last week and it is only a plan, it is not etched in stone. John Finch added that Supervisor Kniffen was looking for something that would steer them in the direction they would be going and it's only a rough idea. Deputy Supervisor Grubham said as long as they are not locked in he feels they can vote on this.

**2002 Volvo.**

John Finch explained that the Board had given the previous Highway Superintendent permission to sell truck #32, a 2002 Volvo International. He said the Town of Windsor would like to purchase it for \$18,000 and will be having a Board meeting tomorrow night to approve it. Councilman Diffendorf questioned what the price was on it before when they tried to sell it. John said it was less than \$18,000 and Ray pulled it off the auction site since he wasn't happy with the price. Although at that time they were looking to get about \$30,000, John said the truck is not worth near that much money and he feels this is a pretty good price for it. He said it will be one less truck they will have to maintain and they still have truck #38 which is an extra big truck. Since the truck is being sold to another town, Councilman Diffendorf said he feels there should be a resolution.
