TextMyGov Announcement

The Town of Kirkwood is pleased to introduce TextMyGov, a convenient and smart text messaging service! This service will enable residents to effortlessly receive important notifications and easily find specific information by texting the city.

The Town of Kirkwood will officially launch the new text messaging system to the public on January 6, 2025. Residents may receive a text message from **91896** from the Town of Kirkwood initiating the service. You can choose to opt-out at any time by texting **STOP**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword "**KIRKWOOD**" to the number **91896**. After sending the initial keyword, you will be asked to reply "**YES**" to confirm opt-in. Residents may receive notifications for **events, water main breaks, road closures**, etc.

The Town of Kirkwood's use of this technology is another example of how our community enhances resident services by implementing 21st-century solutions. We're excited about this new way of communicating with residents and look forward to sharing important Town notifications. Other governmental entities across Broome County are utilizing this system with great success.

Sincerely,

LEW GRUBHAM
Supervisor
